Thanks. I sounds like we've made contact with Douglas, so we should be good.

Hi Ron. No, not really. Craig is pretty well front and center on the issue. He HAS been working closely with Lucita Chin, associate RC on the issue and she may be able to offer some additional information from her perspective. If there is a problem with what's been submitted so far, I'd suggest talking with Douglas – OR feel free to call me and I'll see how I can maybe help round up some succinct factual talking points/bullets. Today's my telework day, so I can be reached on my cell at 303-810-8006. -dan

Hi Dan,

Do you know who may have info on North Dakota and Class VI, other than Craig?

Thanks

Subject: ND Primacy Fact Sheet?

Hi Douglas and Craig,

Did you put together a fact sheet or something on the North Dakota primacy issue? This was raised at the Administrator's staff meeting, and now our AA is asking. I have an e-mail from your RA transmitting the fact sheet, but there is no attachment.

If you have this, can you send it as soon as you can? Thanks
